

## WNMU Staff Employee of the Month

**Joshua Saffell**, Western New Mexico University Grants Accountant, has been selected as the WNMU staff employee of the month for November. Joshua has worked at WNMU for six years.

“I was not expecting this recognition at all. It was something I had not thought about,” Joshua said. “I was very surprised and appreciative when I heard the news.”

Some of Joshua’s duties include overseeing all of the restricted funds. He prepares the billing and approves travel orders. Joshua earned a bachelor of business administration degree in accounting from WNMU in 2004.

He is the son of, Mike and Carrie Saffell of Silver City.
