### **NEW AND IMPROVED POOL TO OPEN IN THREE WEEKS**

SILVER CITY, N.M. – Improvements are ongoing at Western New Mexico University's swimming pool. The WNMU Maintenance Department has ordered a newer-modeled commercial water heater for the 83-foot long by 62-inch wide pool. The new heater will provide a constant 82 to 84 degree temperature. Other improvements include new diving boards, newly painted walls and other minor updates. Fixture updates for the restrooms and other work is scheduled to wrap up before the beginning of the second Summer Session on July 7. The pool closing has not affected any classes.

*Located in Silver City, New Mexico, Western New Mexico University has served the people of the state of New Mexico and its surrounding areas as a comprehensive, regional, rural, public coeducational university since 1893 and caters to a student body diverse in age, culture, language and ethnic background.*
