WNMU Staff Employee of the Month for May

Debora Cospers-Hughes, Western New Mexico University counselor and advisor, has been selected as the WNMU Staff Employee of the Month for May. Cospers-Hughes has worked at WNMU for over twenty years serving the same role but in different capacities.

“I was really surprised,” said Cospers-Hughes when hearing about her recognition.

Cospers-Hughes works in the Academic Support Center. She has also taught the Student Success Seminar classes.

“I feel especially honored because I only work with two other full time people in my department, and it is your peers that choose you,” said Cospers-Hughes.

Staff members chosen as Employee of the Month are honored with a plaque bearing their name and picture, as well as a personalized “Spirit” shirt with the recipient’s name embroidered under the university logo.

Located in Silver City, New Mexico, Western New Mexico University has served the people of the state of New Mexico and its surrounding areas as a comprehensive, regional, rural, public coeducational university since 1893 and caters to a student body diverse in age, culture, language and ethnic background.
