Ginny Luther

Creating Peaceable Classrooms & Homes

Conscious Discipline® is a research-based approach to classroom management that is proven to:

- Decrease aggression
- Increase academic achievement
- Decrease impulsivity/hyperactivity
- Create a positive school climate
- Increase teaching time

Ginny Luther is a charismatic speaker and proponent of Positive Discipline, Brain Smart strategies and Conscious Discipline for schools and home. Noted for her expertise and commitment to teaching peace-making strategies and positive discipline, she is an exciting communicator who provides practical strategies and creative solutions to the many difficult issues facing schools and families today.

Ginny holds a M.A in Speech Language Pathology and is certified by the International Network for Children and Families, qualifying her to promote cooperative, healthy relationships between adults and children. Her educational roles include therapist, Pre-K teacher, assistant administrator, and early childhood program consultant and coordinator.

“Ginny Luther is an amazing speaker who has made a great impact upon our family. Her ability to think on her feet, play act and empathize makes her a wonderful counselor and teacher whether it be on a one-to-one or a one to 1000 auditorium situation.”

John Li, M.D., parent
