

WNMU School of Education Early Childhood Showcase Presentation

Student Interactive Chart

WHEN: April 7 – 14, 2011

WHERE: School of Education
Martinez Fall Bldg.

WHAT: Students in the Early Childhood Program are exhibiting their work at the School of Education, Martinez building. The showcase includes areas such as literacy, assessment, and curriculum. The literacy artifacts are Big Books, Literacy Suitcases, Interactive Journals, and Literacy Toolkits. In assessment, students will display documentation panels and other assessment tools that they compiled. The curricular units focus on a thematic approach: *Our Environment* and *Celebrating New Mexico Centennial*. Students will be presenting the New Mexico Centennial 2012 Curriculum in Albuquerque to the NM Association for Bilingual Education.
