FAMILY EXPO EVENT TO SHOWCASE UNIVERSITY OFFERINGS

Silver City, NM – Grant County area parents interested in learning about college enrollment options are invited to attend the WNMU Family Expo on Tuesday, February 7 from 5:30 p.m. to 7:00 p.m. in the Grant County Business and Conference Center.

The event will feature presentations and multimedia booths by Western New Mexico University staff for interested high school students and parents who are deciding on which college to attend this coming fall.

“This is a great opportunity for students and their families to learn about the admissions and financial aid processes as they prepare for college,” said Isaac Brundage, Vice President for Student Affairs and Enrollment and Management. “Students and parents will have the opportunity to interact and ask questions of student, faculty, and staff of Western New Mexico University.”

The event format includes department kiosks for admissions, financial aid, student life, and academic offices where students can learn about upcoming deadlines and other college prerequisites.

High school students interested in meeting advisors, professors and current WNMU students are encouraged to attend.
