

Giving Back Program

The WNMU Alumni Association continues to support the Give Back program which allows alumni to participate in supplemental funding to student scholarships for the Office of Alumni Affairs. The program is designed so even the newest graduate has the opportunity to support future graduates if they choose. In 2009, the Foundation was able to assist approximately 170 students with about \$95,000 in book and scholarship awards from endowed funds. Contributions to the Giving Back Program can help maintain this level of support or can increase this support to those qualifying students who apply for assistance.

The Program consists of six participation levels. See table below. Each level has a donation amount which is divided into two portions, a scholarship and operations portion. The scholarship amount goes to the alumni scholarship fund from which student scholarships are awarded. The operations amount is used to defray alumni affairs operating expenses.

Level	Name	Donation Amount	Scholarship	Operations
One	Purple Club	\$25.00	\$12.50	\$12.50
Two	Gold Club	\$50.00	\$25.00	\$25.00
Three	Purple & Gold Club	\$75.00	\$50.00	\$25.00
Four	Martinez/Fall Founders Club	\$1 / Year since 1893	75%	25%
Five	Mustang Club	\$500.00	90%	10%
Six	Wild Mustang Club	\$1000.00 +	90%	10%

These guidelines are based on annual commitment, affordability, and the alumni's value of their WNMU education and what that has meant for their current and future well-being. If you would like to assist WNMU students in their educational quest, please fill out and return the form below.

Giving Back

Make Checks Payable to: WNMU Foundation / Giving Back Program

Mail to: WNMU - Alumni Affairs, PO Box 680, Silver City, NM 88062
