A University Worth Discovering

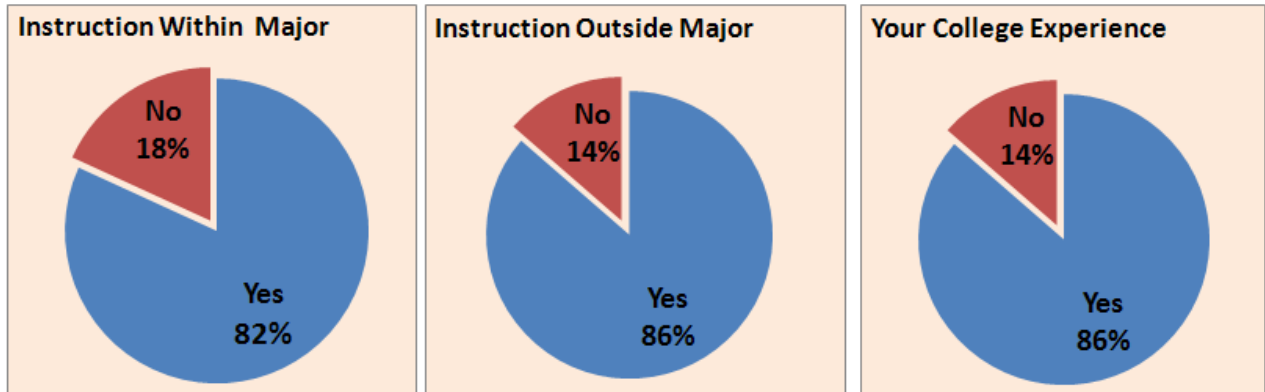

Program Completer Survey - 2010

In the spring of 2010, 187 program completers were surveyed via e-mail concerning future plans and satisfaction with their experiences at Western New Mexico University. The response rate was 11.8%. The composition of the graduating class for that semester was 5% certificate awards, 24% Associate degrees, 38% Bachelors, and 33% completed a Masters program. The average terms attended at WNMU was 7 for a Certificate, 9 for an Associate and 11 for Bachelors and Masters programs.

When asked, "If you had to do it over again, would you choose" the responses are as follows:

The percentage of student responding they were satisfied or very satisfied with various aspects of their college experience at Western New Mexico University was generally positive.

When asked about their future plans, the majority intended to seek or continue employment, but 90% indicated long term plans to attain an additional degree at some point.
